

Dear Friends,

Its been a year hasn't it? We take the occasion of June, Pride Month, to acknowledge our sorrow and joy over the past year.

We invite you to the pride edition of Queer Dharma: June 13, 2021, 1:00-3:00 pm. Please come for our regularly scheduled program and stay for a special queer pride online gala and service.

Dress is queer informal (accessories may include beads, feathers, boas, favorite t-shirts), please BYOC (bring your own cupcake or cookie), and tea/or other beverage.

None of us has gone untouched by the changes of the past year. Let us be together to mourn loss and celebrate our resilience. After the regular QD program, we offer a time for brief reflections and will conduct a short formal Buddhist service, reciting the Loving Kindness Meditation (a special queer adaptation for Pride). You are welcome to submit names to be acknowledged in the dedication following the service (you can do this in chat or send us in advance).
